

1968 Project

WIDEN WOBURN AND LOWELL STREETS

Meeting in an almost emergency session yesterday morning, with Representative Fred F. Cain, the Board of Selectmen voted that they wanted the intersection of Lowell and Woburn Streets widened and improved, as the 1968 project under the provisions of Chapter 90, General Laws.

As planned by the Town Engineer who was also present, Lowell St will be widened to sixty feet, and Woburn Street to fifty feet, going in each direction from their intersection. The Jackson Brothers, owners of the land where the Swain Gowing House formerly stood, and Avco have each signified that they will give land to the town for such a widening. The Town Engineer's plans also showed small widenings at the Lucci corner, and the Robert Barrows corner, but the major taking of land for the widening would be from Swain and Avco.

A strip of land of about twenty foot width will be taken from Avco both along Lowell Street and along Woburn Street. The taking from the Swain property is somewhat less.

Wilmington, in 1968, must spend \$33,400 under the provision of the Chapter 90 Law, or lose its State and County share. The state provides 50% of the money, the County

25% of the money, and the Town 25%.

Referring to the attempt in 1965 to have the rest of Lowell Street widened, down to West Street, Rep. Cain told the Selectmen that he believed that the Federal and State funds offered in that year (\$285,000) was still available, and that he would try to get it for the town. The selectmen agreed that the time has come to widen both Lowell and Woburn Streets, and Town Engineer Arthur Harding was instructed to prepare plans for future Chapter 90 work on Woburn Street, going south from Lowell Street. At the present time the road is 33 feet wide. If widened under the provisions of Chapter 90 the minimum width would be fifty feet.

Woburn Street, north of Lowell Street, has a forty foot layout.

Selectman Niles told Cain that if he were able to get the State and Federal Funds for the widening of Lowell Street, towards West Street, the subject should then be discussed in an article in the annual Town Meeting.

The Town, if the State and Federal monies can be obtained, would have to pay only the damages for the necessary taking of land to widen the street.

Nix Plans of Woburn St School

The architect for the Permanent Building Committee has come up with a plan that utilizes the outline of the Woburn Street School, but it isn't the Woburn Street School plan.

The new plan was discussed by the architect, four members of the PBC, the Superintendent of Schools and Dick Barry of the Finance Committee on Monday evening. There had been an earlier discussion of the Woburn Street School plans that some day, with Department Heads of the School Department taking part. Mr. Barry was also present for that meeting.

The new plans, which are being submitted to the School Building Assistance Bureau, are in effect compressing rooms desired for the projected Shawshen Avenue

School into the size of the Woburn Street School, but with an added wing, making the outline plan something like a letter 'L'. Instead of being 850 square feet, the classrooms will be about 800 square feet. Several items are to be added to the basics of the Woburn Street School, one of them being a Teachers' Work Room.

As outlined Monday night there would be six classrooms on the ground floor, eight on the first floor, and twelve on the second, or a total of twenty-six classrooms. Some of these can be converted to Kindergarten Rooms, at a later date. The total square footage would be 56,032, which at a cost of \$25 a square foot would give a building cost of \$1,400,000.

Audubon 'A' for Polyvinal

DANIEL H. WHITWER, Executive Vice President of Polyvinal Chemicals Inc. of Wilmington (left) accepts the Audubon 'A' Award from Richard Barden, President of the Massachusetts Audubon Society.

'A for Conservation Action' is a new award, by the Massachusetts Audubon Society. It was presented last Sunday to three towns, Dennis, Sudbury and Lincoln, to Henry Beattie Hough, editor of the Vineyard Gazette, and to Polyvinal Chemicals, of Main Street Wilmington.

The Audubon 'A' for Action is the Society's way of publicly recognizing any individual, group, agency, industry or municipality that has taken 'meritorious action having concern for the face of the land, the quality of the environment, and the meaningfulness of the living experience for those in generations to come.'

Patterned after the Army and Navy 'E' of World War II fame, the Audubon 'A', it is hoped, will install a feeling of pride and purpose in the quality of environment, and serve as a reminder that there is a big - and continuing - job to be done in areas of conservation. The citation is to be awarded on a continuing basis as outstanding conservation efforts come to the Society's attention.

The awards were given at the society's annual meeting, held at the Museum of Science.

Mr. Hough was recognized for having lead a successful drive to buy and preserve Sheriff's Meadow on the Vineyard. The Town of Dennis was rewarded for having appropriated \$650,000 to purchase a 1310 acre 'greenbelt' which will insure protection of the character of the community. The Town of Lincoln received its award for its imaginative treatment of a public walkway and bicycle path, a project which had been originated by the League of Women Voters and developed by a Town Path Committee.

Sudbury's 'A' came as a result of that town's efforts to keep overhead transmission lines out of the

Sudbury River marshes.

Polyvinal Chemicals, of Wilmington, the only firm to receive the award, was given the 'A' for its construction plan, for its plant, which preserved the natural integrity of the site.

The company set aside a plan for a standpipe to supply a daily half million gallons of water, and instead took full advantage of their wetland area. Ponds were dug, stocked with fish, and naturally landscaped, while the remaining swamp and a typical New England meadow were made an integral part of the site, to serve as a buffer between the plant and nearby residences.

Miceli & Gillis Would Change Law

Chairman James Miceli of the Wilmington Board of Selectmen and Chairman A. Daniel Gillis of the Wilmington Planning Board jointly filed a bill in the Legislature Tuesday which is designed to do away with the so-called '50 Foot House Lots'.

Under the provisions of a statute passed half a dozen years ago, people who own house lots which are at least 50 feet wide and have at least 5000 feet of land may build homes on those lots, if they were in existence as such in 1934, and this without regard to the zoning of the land.

Gillis and Miceli spent three hours with Senator Ronald MacKenzie, in drafting the bill, and had the assistance of two attorneys, Jack Purcell and Fred True. Mr. True, of Amesbury, was formerly Governor Volpe's Legislative Counsel.

As filed the bill reads:
An Act Relating To The Cons-

WILLIAM ROBERTS SERVES IN NIGERIA

While not to be classified as a member of the Armed Forces of the United States, William R. Roberts, son of Mr. and Mrs. William F. Roberts of Hillside Way is serving his country in the Peace Corps. He has been teaching, for the past year, in Western Nigeria.

The Town Crier received a letter from one of his students a few weeks ago, a man named Taiwo Oyelami, which letter said that he would complete his tour of duty in August 1968, and that he had been accepted at the North Dakota State University, for the fall of 1968.

The latest advice from his family is that he will probably enter the University of Massachusetts in October 1968.

His address is: William R. Roberts, NANN, Ajogunlo Farm Settlement, Abokuta, Nigeria, West Africa.

Redevelopment Authority 'Almost There'

The Wilmington Redevelopment Authority does not plan to bring the proposal for the redevelopment of a blighted area to the town before the Annual Town Meeting of March 1968, but a report issued on November 27th indicates that much of the project work has been completed.

The report is as of November 6th. Under the category of 'Completed' the following is to be read:

Preliminary Title Information; Test Borings; Engineering Plans; Boundary Survey; Topographic Survey and Mapping at 2 ft intervals Marketability Study (LUMS); and Re-Use Appraisal.

The heading 'Planning Services' is shown as 88% complete. Under this, completed, are Urban Renewal Plans, Report on Urban Renewal Area, Land Acquisition Report, Project Improvements Report, Land Disposal Report, Cost Estimate & Financing Report, and Illustrative Site Plan. The Brochure, which is the last item in the Planning Services, is described as being 75% completed.

Reports and Maps, and Local Conferences are also described as being 75% complete. Public Hearings and Town Meetings have not yet been started, but the Authority says it hopes to have something doing in this phase in about 45 days.

Send your announcements to Nancy, Box 208, Wilmington, or call 657-7141, or after five, 658-4865. If I'm not there, I'll call you.

Henry Porter has announced that the Post Office will be open on Saturdays, Dec 9 and 16 until four pm for parcel post and stamps. There will be no window service on Sundays.

Note also that Wilmington Post Office is looking for some Christmas help. The only prerequisite is that those with previous postal experience will be considered first. So get your application in to Henry Porter immediately.

Hear this! The VFW Post 2458 are having a Children's Xmas Party on Sunday, Dec 17, at 2 pm at the Hall. Tom O'Conner says that the Members and Friends are invited to the Hall the night before (Sat Dec 16) at 8:30 pm to help to wrap the presents and participate in a social hour. The Vfw has an ad on the front page which tells you what is happening when at the VFW.

Also, Tom would like the parents of the boys in Vietnam to contact him at 658-9454. He had a message for them. The VFW is trying to do everything they can to help the boys over there and the ones returning to this country. Isn't it great to see this group of veterans helping the kids as they come along. That's the real buddy system.

Remember Bev Moller, the lady that is the MS victim, with so much courage up on Woburn St. Well Bev is now invalided, but she wishes to help out her Baptist Church Building Fund. To do this she is trying to sell candy at home. So call her at 658-4158 and place your order. She'll give you instructions as to pick up etc. That's the gal, Bev! Turn out you gals and order your Christmas sweets from Bev.

It seems that this gal hasn't kept track of all of the kids this year. She didn't know that we have four new students at Wentworth Institute. Frannie Mortelliti, son of Mr and Mrs Nunzio Mortelliti of 12 Hathaway Rd in Building Construction; John Conway, son of Mr and Mrs Henry Conway of 138 Burlington Ave, Building Construction; Stephen Haley, son of Mr and Mrs Vincent Haley of 60 Shawheen Ave, Mechanical Design; Richard Denault, son of Mr and Mrs Noah Denault of 5 Glendale Circle, Mechanical Design. Nice going fellas and lots of luck!

Registrar of Motor Vehicles, Richard E McLaughlin announced that the Registry offices will be Closed on Saturday, Dec 23. They will be open Saturday, Dec 30, until noontime and the seven key offices will remain open until 5 pm on the last business day of the year. In addition to Boston these offices are: Brockton, Lowell, Lynn, New Bedford, Pittsfield, Springfield, and Worcester.

The Square Dancing is fast becoming the couples' choice of entertainment in Wilmington, we hear. Understand now, that the only registrations available are for some who have had some preliminary in Squaring. The class is held every Wednesday at the Glen Road School from 8 to 10:30 on Wednesday evening, and we hear that it is lots of fun. Hope we'll all get to see their proficiency at the art exhibited pretty soon. That should be some doing!

The Ecumenical discussions conducted by the Wilmington Council of Churches and St Thomas OCD are proving very popular. The 4th discussion session will be held in the series 'Ventures in Understanding' on Tuesday, Dec 12 at 8 pm at the Baptist Church and the Baptist Church will be the subject

for the discussion.

Hey folks, DON'T FORGET, that District Attorney Droney is speaking openly to all of you on December 13, 1967 at 7:00 pm in the Lower Hall at St Dorothy's Church. You are all welcome.

Also, the Methodist Youth are having their Fair at the Church on Saturday, December 16 from 10 to 10 and there'll be something for everyone there! Let's give them support, folks!

Attention Members of the Wilmington Women's Club. The Thursday meeting will be held on December 14 at the Congregational Church. Coffee and Dessert will be served at noon by Mrs Frank Darling and her Committee.

After the business meeting, the Club will enjoy a Christmas Program by the English Bell Ringers.

Linda M. Thebeau of 6 Suncrest Ave Wilmington is on the committee organizing the Annual Father-Daughter Dinner at the Wyndham School of Boston. Miss Thebeau has invited Dr. Richard H Overholt, Director of the Overholt Toracic Clinic to speak. He will speak about 'Smoking, Man and Society'. Linda is a junior at Wyndham and is the daughter of Mr and Mrs John R Thebeau.

It seems that Lee Carpenter, son of Mr Charles R Carpenter of 6 Forest St, has finished his basic training for the US Navy at the Great Lakes Training Ctr in Illinois! Congratulations, Lee. Let us hear from you and your new address.

Airman Danvid J White, son of Mr and Mrs James H White of 69 West Street left Wilmington last Wednesday for Nellis Air Force Base, in Nevada.

He recently graduated from the Air Force technical school at Lowry Air Force Base, in Colorado where he was trained as a material specialist.

A graduate of Wilmington High School, Airman White attended the Northern Essex College in Bradford before enlisting in the Air Force.

Our boys are still coming through with the letters and cards and is it ever fun. We have our board decorated at the Depot and every card that comes goes up there, and I'd like pictures if you have them fellas. This has turned into loads of fun with your response and the people are getting a kick out of your cards. Now some quotes from overseas this week.

Billy Pierce writes: Dear Nosey Nancy, I just wanted to drop a few lines to thank you for the Christmas card that I received from you. And also to let you know I read your column in the Town Crier. My mother has the paper sent to me every week no matter where I might be, and the first thing I read is what you write. It is very interesting, and keeps me up with the times while I'm away from Wilm. I still have a few more years to go on a four-year hitch in the Navy, Sea Bees. More than likely, I'll be returning to VietNam for another eight months in Lake Sanvary, and I'll be looking forward to receiving the Town Crier and reading what you have to say in it.

I guess that's about it, only to

say thank you. It was very thoughtful of you. Sincerely yours Billy Pierce. (We thank you for those kind words, Bill. This gal will do all in her power to see that you get the news. Let us know what you like in particular if anything. Good luck on your next tour of VietNam!)

We heard from John De Rosa: 'Hi Nancy: Thought I'd drop you a line and let you know I received your card and I thank you, it is appreciated.

'If you don't know I am now in Japan, at Atsugi Naval Air Station. I've been here for a few weeks now. My first impression of Japan was that it is a continual slum. I guess that's the way they live. The larger cities, such as Yokohama, are quite modern.

'The weather here is predom-

inantly cloudy in the winter, and it does snow. It hasn't as of yet though.

'On a clear day, you can see most of Mt Fuji, and it is quite a sight, this time of year, it's almost completely snow-covered.

'There really isn't much to do over here, we work six days a week, and we have detachments

in Saigon and Danang plus the Philippines. They do quite a bit of flying to Vietnam from here.

'Again, I'd like to thank you for the card, and keep up the good work with your column. It's the best feature in the paper. My new address is John DeRose VC-5 FPO San Francisco, Cal 96601. Sincerely John DeRose. PS Con-

Selectmen's Meeting

The Board of Selectmen, Monday night, had a preview of something that might or might not happen, ten or fifteen years from now - a complete relocation of Route 62, the road that travels east and west through Middlesex and Essex Counties.

The firm of Howard, Needles, Tammen and Bergendoff, who have an office in the Prudential Center in Boston, have been hired by the Massachusetts Department of Public Works to make a study on the relocation of the Route, which meanders through the Middlesex Villages and Towns.

The plans which the firm brought with them are in the confidential list, at present, but there are plans for a 'double-barreled' highway, considerably different from the present road. In addition to the Selectmen, the Town Engineer had a chance to see some of the plans.

In one sense the proposal for a new Route 62 was the answer to a prayer by the Selectmen. For some time they have been troubled by the need for spending allocated state and county money on 'through' highways in town, and they have not been able to come up with the right answer. Neighbors object here, and neighbors object there, and in the past several meetings the Town Manager has been more or less sternly telling the Selectmen that they have to spend the money on rebuilding Burlington Avenue, or lose the money entirely.

Town Engineer Arthur Harding told the Selectmen that if Burlington Avenue is not to be improved, and Lowell St is not to be improved the only remaining 50 foot wide street that could be improved is Shawsheen Avenue.

So it was arranged that the Town Engineer and the Town Manager would visit the County Commissioner's office on Wednesday to talk over the spending of Chapter 90 money. One of the County Engineers, who was present, said that there would be no more 'Chapter 90 hearings' this year, but under the circumstances there might possibly be a waiver of the rule.

The upshot of the discussion was that if it had to be spent, the Chapter 90 money would be spent on Shawsheen Avenue. If the money could be held over for a year, then it would be spent later, somewhere else.

St Thomas Church

For about the umpteenth time the Selectmen signed papers for the taking over of the old St Thomas Church property. This time, being eminent domain papers, it probably was for real.

Motel

The proponents of the motel on Woburn and Lowell Streets were the first to be scheduled on the agenda for the meeting but there

were none present. Selectman James Miceli commented that they had cancelled for another week, since there had been no application submitted. Stanley Webber, of the Chamber of Commerce, who had appeared with an expectant look appeared to be bewildered, not knowing that the meeting had been cancelled.

Webber went out into the hall, and in about ten minutes Roland Wood, attorney for the proponents appeared, with a new application, and a report to the Selectmen that it had been signed by the president of the oil company. Wood told the Selectmen that his interpretation of the law was that the owner of the land should sign the application, and not the option holder. He was however, submitting in the form desired by the Town Council.

A hearing date is to be set later

Tax Title Lots

The Selectmen heard a little talk from Danny Gillis, Chairman of the Planning Board, on how small house lots make taxes go up.

Gillis was present to comment in his official capacity on the proposed sale by auction of small lots of land in Wilmington. He told the Selectmen that the Planning Board preferred to avoid the sale of lots of land only 50 feet wide by auction, of which there are 39 available now, and a total of 300 still in Wilmington.

With 300 such house lots, he warned, if a home were to be built on each, and an average of 2 1/2 children per family, there would be a need for another complete school in Wilmington, and with classrooms costing \$40,000 each and children \$500 a year to educate, this meant a lot of tax money.

The Planning Board, he said, wanted to study the situation with their consultants, and he requested that any sale be put off.

Then, after thanking the board for listening to him, Gillis started on another subject - this time an aerial survey of the town, with copies of all maps made as a result being available to all boards in the town.

The cost, Gillis said, was \$3250 and this figure shook up Selectman Boylen. He wanted to know how the town could spend this money, with taxes going up and up. Gillis pointed out that the money had already been appropriated for the 1967 accounts.

Things got hot for a while. However, Miceli kept pointing out that it was the Town Manager who had made the decision, and he was just trying to ascertain the feelings of the Board of Selectmen. The TM was heard to say, with a rueful grin, 'I'll never do that again!' after which Miceli congratulated the Planning Board and stated that he hoped they would visit the Board of Selectmen more often.

Conservation

Mrs. Robertie and members of the Conservation Commission were next. They had been reviewing the list of property proposed to be sold at auction, and they recommended that some not be sold since the lots were adjacent to school sites, or well fields. In particular the Conservation Commission were interested in some lots of land near the site of the proposed Shawsheen School, as suitable for nature study by students.

Miceli thanked them, and made

Other Business

By a vote of three years and two days the Board voted to establish a Youth Opportunity Council. Boylen and Black were the dissenters. Appointments will be made next week.

A letter from the Metropolitan Area Planning Council asked for the naming of a co-ordinator for street maps in the area, in preparation for the 1970 US Census. Mrs. Madelyn McKie, who is Wilmington's member of the Council was appointed to the job.

A letter from the residents of Elwood Road, off Forest Street, asked that they have the street accepted by Betterments at the annual Town Meeting. Mrs. Drew said this couldn't be done at this time of the year, however the Board decided to waive the rules in this instance, and present the article to the Town Engineer, to do the layout.

The Town Council wrote a memo saying that the Barcellos case on Ballardvale St had been settled for \$2000.

Sen. McKenzie wrote a letter thanking them for calling his attention to the Kindergarten situation.

A letter from Senator Weakes stated that he had an operation for Study of the Medicaid Program. He suggested that there be a review of the program and submitted a questionnaire on the operation of the Program with its additional costs. Black referred this to the Town Manager and Mr. Coleman, with Miceli cautioning that it should be done immediately.

The Building Inspector had written a Cease and Desist Order to the John Magee Construction Co 1 Glenwood Rd, in Andover, for removing fill in excess of normal landscaping in two lots on Andover St and stating that it was in conflict with zoning by-law, unless a permit was obtained for the gravel removal. The Building Permit on these lots had been suspended.

TM Morris said that the Highway Department, Town Engineer, Town Council, Town Sanitarian, and he had viewed the site, and had pictures. Nothing was stated on the permit about extreme elevation and that the set back for the houses was 200 feet, meaning this soil would have to be excavated, which the owner was moving with heavy equipment. The Selectmen decided to let the Building Inspector carry it through.

New Business

Boylen pointed out that although there was a dirt sidewalk opposite Avco on the street, that automobiles were parked on it all along Lowell St and that the kids were in the street. This was referred to the Town Manager and the Police Chief.

The TM designated the Fire Dept to decide when the ice is safe in different areas in Town at the instigation of Boylen. So to clear the safety of the ice, call 658-3346, the non-emergency number for the Fire Department.

Miceli pointed out that the Salem St crossing was rough near the railroad station and Mrs. Drew pointed out that the Eames Street Crossing was also. This was delegated to the Town Manager.

The Town Manager asked for a transfer from reserve of \$220 for the salary of the clerk for the PBC because of the extra workload.

He also asked for establishment of policy relative to mailboxes that were knocked down by plows etc 'which were ready to fall down anyway'. The Board decided these should be replaced since the Post Office required them to be so near the street, or the people could not get the mail.

Meeting was adjourned at 9:45.

COMBINED BANDS AT PRACTICE: The Two Intermediate School bands are combining for the Christmas Musicals in the Public Schools, and will perform twice, at the West Intermediate School on Dec. 14th at 7:30 pm and at the North Intermediate School on Dec. 19th at 8 pm. Shown at practice Tuesday, in the North School are (Above) Bruce Hilliard, Mark Neville, John Barry, Steven DeLisle and Andy Anderson on their trumpets, and James Buck with tuba. Below, with clarinets, are Philip Morrissey (with glasses) John Bruno and Kenneth Mills.

IT WAS SUPPOSED TO BE A 'GAG': But it turned out to be a wonderful picture of John Elia, President of the Rotary Club of Wilmington. John was photographed last Saturday at the fabulous Canal Club of Sweetheart Plastics, Inc., where the Rotary Club was conducting its annual Ladies Night. John is shown changing money, at a machine which accepts dollar bills, and gives out the correct change, for the cafeteria part of the Canal Club.

MRS PEARL HERSOM: Of Woburn Street recently received her commission as a Notary Public from Kevin H White, Secretary of State and next Mayor of Boston. With Mrs Hersom is Rep. Fred F. Cain.

ROY C GREENOUGH PASSES AWAY

Roy C Greenough, of 84 Lowell St, passed away at the Winchester Hospital on Saturday, December 2, after a brief illness. Mr Greenough was born in Amherst Head, Nova Scotia, 87 years ago. He has resided on Lowell St for the past 30 years.

Mr Greenough is survived by his wife, Elizabeth D (Goodwin),

a daughter Mrs Lena M Call, also of Lowell St; three grandchildren Pauline E Bertwell of Wilmington; Kenneth E Call of Melrose; and Donald R Call of Andover. Seven great grandchildren also survive. Mr Greenough had been an employee of Olson's Greenhouses on Lowell St until his recent illness. Funeral Services were held from the Wilmington Methodist Church on Monday December 4, with the Reverend Willis Miller officiating. Pall bearers were Harris, Leon,

This represents, to the limit of the ability of the Town Crier at this time, an up-to-date list of addresses of Wilmington servicemen, with the exception of a few who are expected to be home for Christmas, and three others, who are enroute to new posts.

Peter Mazzapica (Air Force) will leave on Dec. 9th for England. Brian McMahon, (Air Force) is enroute to a new post in Arizona and James Webster (Navy) is enroute to Saigon at this time.

Expected to be in Wilmington for Christmas, as of this time, are Ken Berkeley (Navy), Gary Balsar (Air Force) - coming home from Vietnam, Lee Carpenter (Navy), Joseph Castaldo (Navy), David DeLucia (Army), Richard Ingemi (Army) - home from Vietnam, Raymond Mahoney (Navy), Stuart Nelson (Navy), and William D. Stickney (Air Force).

100 SERVICEMEN RECEIVE THE TOWN CRIER

The total number of servicemen listed on this page is probably not complete, but there are 153 names.

Of these about 100 receive the Town Crier regularly. Parents who wish their son to receive the Town Crier may call the office of the paper (658-2346) and ask for details.

In compiling the above list the Town Crier overlooked one man, Dick Storms of Main Street, former Navy Recruiting Officer. Mr. Storms, who is home frequently, is a Chief Commissary Steward on a nuclear submarine stationed in Portland, Maine.

Juveniles Receive Suspended Sentences

In two separate appearances in Woburn Court Monday three juvenile boys received suspended sentences, for violation of the motor vehicle laws.

Two 16 year old Somerville residents had their cases continued for a year, without a finding, by Justice Francis Cullen. They had been arrested at 11 pm Nov. 22nd on Shawshen Avenue in a 1966 Dodge Hardtop, by Officer Jay Palmer.

A 15 year old North Wilmington youth, appearing before Judge Cullen, received a suspended sentence to the Youth Service Board, with a one year suspension for good behaviour.

He was found guilty of stealing a Volkswagen on November 3rd from the home of William Husen, of Glen Road. The VW was found later, on Salem Street.

Inspector John Harvey of the Wilmington Police arrested the boy, after deductions made from circumstances about the theft.

JIM VOSMOS IS HOME

James L Vosmos of Shady Lane Drive arrived home last night for a short leave.

Mr Vosmos is the Third Mate of the U.S. Naval Ship Vanguard, one of the vessels employed in the 'tracking' of the rockets in the Apollo Project. As a member of the crew of the Vanguard he has already played a part in the tracking of the first unmanned capsule in that project, a preliminary to the projected Moon Shot of 1969.

The Vanguard was stationed 1200 miles east of Bermuda for 30 days awaiting the Saturn II Rocket take-off from Cape Kennedy, Florida. The satellite made four trips around the world, the fourth of which was completely controlled by the Vanguard. The valve that was reported to have been malfunctioning during that trip, was closed by technicians on board the Vanguard.

The Vanguard is now at the General Dynamics Shipyard in Quincy, where new equipment is being installed. She is expected to remain there ten weeks.

BRIAN McMAHON AT
ARIZONA BASE

Airman Brian H McMahon, son of Mr and Mrs Bernard P McMahon of 15 Floradale Avenue left Monday to report to the Williams Air Force Base in Arizona, where he has been assigned as an administrative assistant with a unit of the Air Training Command at Williams. A 1961 graduate of Wilmington High School, Airman McMahon received a BA degree from the University of Massachusetts, and underwent his basic training for the Air Force at Lackland AFB in Texas.

'HELLO BROTHER'

We go through life complacent, and seldom stop to think,
Of those whose lives are spent in quest of merely food and drink.
God made us in equality but yet, by chance alone,
Our lots extremely differ, like a precious gem from stone.
From the arid desert wasteland to the modern life we know,
From the towering new metropolis to the igloo in the snow,
He blessed us each with dignity, a common bond for all;
But how we force the level of this trait in some to fall!
Too often we find the poorer man must hide it deep within,
And bow to those above lest he commit the social sin.
His wish is opportunity to work with real zeal and pride,
And be accepted by all men, his freedom not denied.
I've seen him in the desert, I've met him in the street,
And spoken as a brother he never thought to meet.
Upon my recognition of him, a fellow man,
The blossoming of dignity within his soul began.
The difference in our native tongues was little problem here,
As contact and expression made our message clear.
Mine was, 'I came to meet you as a stranger from afar,
To reconfirm to you and me the kind of being you are.'
His was, 'I've often wondered if those who pass could know,
How much I wished to meet them, mere brotherhood to show.
But from my lowly place in life I could not chance this urge,
Until today, as if by fate, you happened to emerge.
Your message was for my poor ears indeed the sweetest song.
I've longed to hear it many times -- Oh God, I've waited so long.'
We swapped ideas as neighbors do but soon we had to part.
Each felt a slightly different man with warmth within his heart.
So many times in other lands this scene occurred again.
And now I know a closer bond of friendship with all men.
I understand them better, the lesson will not fade.
A greeting, 'Hello brother', was the meager price I paid.

THE IMPOSSIBLE DREAM: Ten young ladies, Cheerleaders to the Wilmington Pop Warner Team, came through with the First Prize, last Saturday, in a competition with 25 other teams in the Pop Warner League. Many of the other cheer leaders had been organized for five or six years. This was only the second year for the Wilmington group.

Miss Frances DeLisle of 15 Belmont Avenue is their coach, and the uniforms were made by one lady, all alone, Mrs George Nelson of 78 Swain Road. Both Miss DeLisle and Mrs Nelson volunteered their work.

Front Row: Donna Everett, Cincy Jepson, Capt. Peggy McNamara, Linda Catalano and Paula Kavanaugh.

Rear: June Pidgeon, Anne Novak, Lisa Pellitter, Gail Irwin and Cheryl Arzilli.

MRS GERTRUDE M. INGRAM: of Wing Road was presented the Air Force Length of Service Certificate by Colonel Robert F. Long, Commander of the Air Force Cambridge Research Laboratories, at Hanscom Field in Bedford.

Mrs Ingram, who works in the Technical Services Division of the Laboratories, received this award after completing ten years of Government service.

**DANIEL J. GILLIS
FUNERAL SERVICES**

Daniel J. Gillis, husband of Mrs
Mary H (Boudreau) Gillis of Dor-
chester Avenue died at his home
last Saturday, after a long illness.

Born in East Boston, he was 52
years old at the time of his death.
He was a veteran of World War II,
having served in the US Navy, and
was employed as a truck driver
before illness forced his retire-
ment.

He is survived by his sons,
Daniel J. Jr., Michael and Henry

Devlin, all of Wilmington; three
sisters, Mrs Mary D Murphy of
Anchorage, Alaska; Mrs Agnes
Clark of Winthrop and Mrs Flo-
rence Genepa of East Boston.
There is also a brother, John C.
Gillis of Dorchester.

The funeral was held from the
W S Cavanaugh & Son Funeral Home
on December 4th at 9:15 am, fol-
lowed by a High Mass of Requiem
at St. Dorothy's Church at 10 am
which was celebrated by the Rev.
Lawrence Drennan.

Burial followed in the Veterans
Lot in Wildwood Cemetery.

Youth Loses Eye in Shooting in Home

A Wilmington youth is in the Massachusetts Eye and Ear Hospital in Boston, recovering after having lost his left eye, and his father faces possible charges of having shot the boy, as the result of a shooting in a Shawsheen Ave. home Friday afternoon.

Leo F. LaVole, 49 years old, is in the Worcester Hospital, with an indefinite commitment, as a result of the shooting. Wilmington police allege that he shot his son Leo G. LaVole, 17, after an altercation in their home. A 22 caliber rifle is said to have been the weapon.

The LaVole family are newcomers to Wilmington, having lived in this town since last April, and having moved here from Watertown. The Senior is a bus driver for the MTA, and the Junior is a technician at the Beth Israel Hospital, in Boston.

The shooting is said to have occurred at 4:59 pm Friday. The bullet entered the head of the younger LaVole in the right side and came out on the left. Wilmington Police have a 22 caliber rifle in their possession which is reported to have been the weapon used.

Inspector John Harvey of the Wilmington Police is in charge of the investigation.

NEWLY ADDED: To the Executive Committee of the Massachusetts Committee of Catholics, Protestants and Jews is Joseph P. Healey, President of the Middlesex County National Bank.

Letter

Dear Larz,

I would like to praise the Burlington chapter of Disabled Veterans for a splendid service they do for parents & families of servicemen overseas.

They will tape a twenty five minute recording from the family to the serviceman and mail it to him right away. Also, a color Polaroid picture of the family making the recording. I can think of no better Christmas present for that son, brother or husband in some far off place than to hear the loved ones at home at Christmastime.

I would like to personally thank Commander Fuller and wife, in whose home in Burlington we made a recording to our son Donald in Italy.

It is very refreshing to see firsthand the good things our veterans organizations do, after hearing some of the criticizing done.

Thank you again, Commander & Mrs. Fuller, from an appreciative family. I hope you get a meeting hall soon for your fine organization.

UNITARIAN CHURCH OF READING

'SERPENT WISDOM FOR MODERN DOVES' will be the topic for this Sunday's service which is held at 10:30 am.

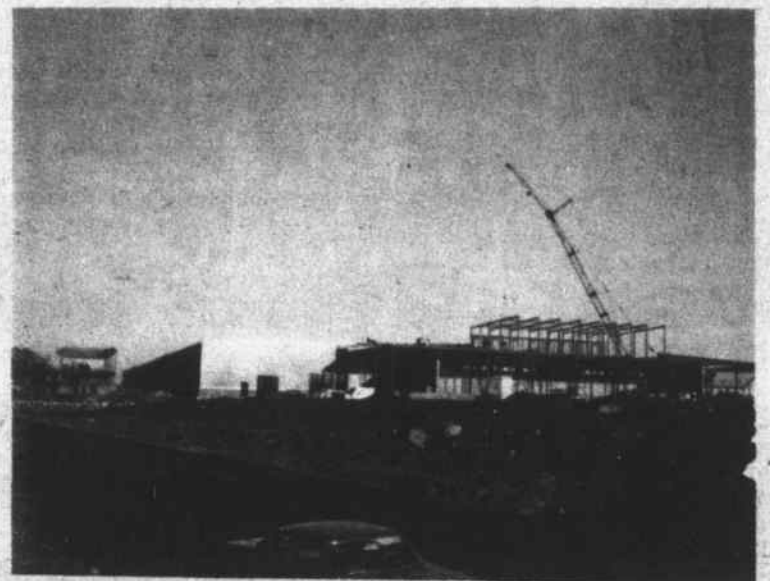

With war and social chaos as the major themes of our day, it would seem as if any discussion on 'peace' would be like a 'voice crying in the wilderness'. Nevertheless, it must be considered time and again. As we approach the Christmas and Chanuka Holidays in which peace is a vital element, we are obligated to speak to this subject. Next Sunday, Mr. Skelrik will direct his attention to a possible agenda for men of good will using as one of his references the 'Pacem in Terris' encyclical of Pope John XXIII.

The High School Seminar will meet at 9:30 in the church office. Church School Classes, from Nursery through Grade 8 will be held at 10:30. Fellowship Hour will be held in Community Hall following the morning service.

Sunday, Dec 10 at 3:30 pm at the Congregational Church. All Reading Church Choirs are participating in the 'Messiah'.

Monday, Dec 11 at 8:00 pm. The Women's Alliance will hold a Christmas Party at the home of Thelma Towle, 556 Haverhill St. Hostesses: N. Lobdell, H. Ruggles I. Harker, M. Ferris.

Tuesday, Dec 12. The Governing Board will meet at 7:30 in the Community Hall.

WHERE THE GLINT COMES FROM: Motorists driving north on Route 93, as they approach the south Wilmington line, are astonished to see what looks like a large lake, in the woods, ahead.

What they are seeing is the roof of the new Smithcraft Company plant, in South Wilmington, now under construction. It will be one of the largest buildings in the area, and should be ready for occupancy next summer.

ROTARY TROPHIES FOR FOOTBALL STARS: Linesman Jack Gillis (center) and Halfback Hank Devlin, of the Wilmington Football team received their Outstanding Linesmen and Outstanding Back trophies yesterday, at the luncheon meeting of the Wilmington Rotary Club President John Ella made the presentation.

Gillis was named to the All State Scholastic Team, Class C, on Sunday by both the Boston Globe and the Boston Herald.

More Nancy

(Fr. Pg. 3)

gratulate Jere Graham one of the Wilmington new art teachers on her appointment to the Wilmington School System. I wish her the best of luck in everything.

And Steve Robbins: 'Hi Nosey, I received your card today thank you very much.

'I read your column all the time when I get the paper. Of course I usually get the paper a month late, but most of it is news to me anyway when I get it.

'Well, I've been over here since July of 66. I get out of the Army in February, and you can bet I'm looking forward to coming back home and coming back to the good ol' US of A!

'Well, I have to run. Thanks again for your card. Yours truly, Steve Robbins' (Well, Steve, we're glad that your tour is almost over and we'll be looking for a visit in February when you arrive in THE GOOD OL' US of A!)

George Arsenault writes: 'Nosey Nancy, I was glad to receive your card and I appreciate it. I'm sure all the other guys here and in Viet Nam appreciate it and everything else you and the people at home are doing. The Town Crier is one piece of mail, besides letters from Mom and Dad, that I look forward to at every Mail Call, even if we've been out to sea and they're a month or two old.

'I hope the people at home are trying to end this war in Viet Nam as soon as possible, as I hate it when our guys, even if they aren't from Wilmington, are dying for something other people don't care about.

'I'm sorry this is so short, but I have a watch to stand. I'm going to try to get Christmas leave so I can come home.

I'm saying thanks again for the card and have a Merry Christmas and have a Happy New Year also. George T. Arsenault, Jr.'

(George, it will be great if you can get to come home for Christmas. Please drop in to see this gal at the Depot and say hello.)

Now, for my weekly expounding. These kids are really trying hard and you can see how much they appreciate anything that brings them news of home. According to my records and the list that is elsewhere in the paper this week with all the correct addresses we could possibly scrape up, compiled for your use, there are approximately 2/3s of the boys that are in the service from Wilmington getting the paper. If you have a fellow over there, it only costs \$1 in addition to your own subscription to have it sent directly to him. So, come on, folks, help these kids out and let them hear from home and what's going on. Thanks for your assistance, Jayce-ettes and Abigail Circle for sending the packages you did. The Abigail Circle should especially be commended because it so happens that no one there has a boy overseas at the present time! The more help, the better folks.

Meantime, drop into the station and take a looksee at the Board and the beautiful cards the boys have sent. And you fellas, if this is the last issue prior to Christmas. We'll all be thinking of you and praying for peace so that you may return to us safely! God Bless You All!

SCHOOL PLANS (Fr. Front Pg)

Harold Shea, Superintendent of Schools, characterized the plans as 'not as elaborate as the Shawsheen Plans (turned down in the Town Meeting of Nov 20) but a little bit better than the Woburn Street School Plan'. When asked by Chairman John Callan, if this plan would allow the phasing out of one of the older schools Shea said 'No'.

The new, smaller classrooms are being planned for a twenty-five pupil occupancy. At the present time there are thirty pupils to a room, in the Wilmington Schools.

Shea made it clear that he expected to have to ask for still another elementary school in the near future--'If we get kindergartens'. The Wilmington School Committee, he said, has not yet gone on record as to the time it will 'phase in' kindergartens.

John Callan, chairman of the PBC, in observing the plans commented that they 'were not a site adaptation', and he was told by the architect, John Guarino, that the Woburn Street School 'was lacking in a number of things'. Among the items listed by Guarino was 'no workroom for teachers--no guidance room'. He said that the plan was not adaptable to the Shawsheen Avenue site because of the topography of the land.

In later discussions that evening with a representative of the architectural firm that is now preparing plans for the new library, the representative told the committee that costs have increased 48% from 'mid 1963 through Spring 1968'.

The committee did not get to a serious discussion of the problem of changing the day of its meetings. No letter had been received from the Board of Selectmen, and one of the members, Mr McClure, was absent.

District Attorney to Speak to Students

St Dorothy's CCD School of Religion is happy to announce that on December 13, 1967, at 7:00 pm, the District Attorney, Mr John J. Droney will be here at St Dorothy's Lower Hall to speak on 'The Law and You'. This is part of our high school program, which we feel will be beneficial to the young adults in Wilmington and Tewksbury.

We would like to extend our invitation to the congregations of our churches here in Wilmington, in the hope that our speaker, Mr Droney, will have the opportunity to impress the importance of the law in our young adults' lives, and ours.

This is a regular class night for the high school students at St Dorothy's. All students must be present.

Any one desiring more information may call Mr Robert Hildebrand at 658-4059

Thinking of going to the Sportsmen's Show in Boston at the War Memorial Auditorium from Jan 6 to Jan 14?

Henry Colombo of Brentwood Avenue has tickets he is selling for \$1.00 instead of the usual \$2.00. He is a member of the Angler's Club of Malden, which bought up 2500 tickets, and Henry can get plenty of them.

By Louie

What is sleep? How much do we need and how do we achieve it?

Although little is known about sleep itself, a great deal is known about what happens to the body during sleep. The heart slows from about 75 to 60 beats a minute, body temperature and basal-metabolism rates fall slightly, breathing drops from 16 to 12 breaths a minute.

Sweat glands become particularly active. Some people have real need of ten hours a night and others find four hours sufficient.

A good general rule to follow: sleep should be sufficient to allow us to wake up spontaneously, refreshed and ready to do a day's work--without undue fatigue!

What we should do and what we ultimately do often differs considerably.

Bowen to Play in Sugar Bowl

JACKIE BOWEN: Wilmington's great Half Back of half a dozen years ago will be playing in the Sugar Bowl, at New Orleans, on Jan 2. He played Defensive End, this year, for the University of Wyoming, the only major undefeated football team in the United States. Wyoming will be playing against LSU.

FROM THE BOX SEAT

Congrats to Jackie Gillis, hard-nosed middle linebacker - guard of the WHS Wildcats for having been selected to the first team All Scholastic for Class C. The passing combo of Billy Walls and Danny O'Connell were honorably mentioned.

The New York Jets lost Sunday despite a slew of the most obvious home calls ever witnessed against the Broncos.

It's a crying shame the Patriots

don't have at least a representative team, because any half decent entry could have walked away with the Eastern Division this year.

Bedell's Insurers strengthened thier backcourt with the acquisition of Bobby Flores in a trade for Keith Arnold. Arnold is, perhaps, the most dangerous scorer in the loop, but active duty in the Marines will abbreviate his participation with the Chargers.

The men's league got underway

TWO TROPHIES FOR JIM GILLIS: of the Springfield (Mass) College Football Team, were awarded at the annual banquet of the team in Springfield, on November 28th.

The former Wilmington star received the Stove Award, which goes to the defensive player who scored the most defensive points during the season, and he was voted the Most Valuable Player award by his team mates.

Gillis missed only one game in the three years in the varsity team, and was nominated for the ECAC All-East Team four times, as the outstanding defensive player in a game.

While the Lowell (soccer) Astros are losing every match, the Lowell Giants are losing an affiliation (Green Bay). I'm all for the three-point basket a la ABA. The long shot is one of the prettiest plays in basketball and an extra point would encourage more of these 'down towners'.

Hockey fights may be legitimate consequences of rugged contact, but are completely unnecessary. No one in sports gets hit harder than a ball carrier in football, but he rarely retaliates with his

fists. Why not, you query curiously? Simply because he'd be ejected and fined; probably break his knuckles of his adversary's face mask; and full well realizes that contact is part of the game. Not so in pro hockey. Fighting and stick swinging are encouraged by the laxity of penalties. The league can hardly be expected to increase the severity of such penalties, when the owners know that half of their paying customers come to see this glove dropping.

Dempsey decisioned Louis on Monday night in a semi-final of the computer boxing tournament.

Soap Boxing

In other parts of the country, sports fans display patriotic respect for the flag by snapping to attention and singing along as the National Anthem is played. Hereabouts fans not only don't sing, they talk, eat, walk, seat, galk, and meet during the Key tune. At Wilmington High Football games empty-pocketed urchins use the musical diversion to scale the fence. I guess New England, the seat of patriotism, needs a hurry-up refresher course.

Outstanding Player at Findlay

LYNN BILLINGS AT FINDLAY COLLEGE: Has finished his second season with the Findlay (Ohio) College Oilers.

A sophomore, majoring in physical ed, he caught two touchdown passes this season, and was one of the top receivers for the Oilers during the entire season. He was also the Oilers punter, kicking the ball 51 times for a total of 1684 yards. He is rated as an outstanding student, and hopes to take his Master's degree after graduation.

Judy Grateyk is Married

David Gourley Studio

Escorted by her father, Judy Grateyk, formerly of Grove Ave walked down the flower decked aisle of the Congregational Church on Nov 25th to be wed in a candle light, double ring ceremony to Robert H. Moseley of Chicago.

Performing the nuptials were the Reverend Allen Tadgell, Jr of the local church and Reverend John Grauel of New Jersey, friend of the bride's family.

Amid white chrysanthemums the bride was attended by Miss Willene Moseley, Toccoa, Georgia, sister of the groom as maid of honor, Miss Carol Currie, Washington, DC and Miss Joan Hummelfeld, Reading, Mass. as bridesmaids.

Mr R. Flavil Moseley, Toccoa, Georgia, father of the groom was best man and the ushers were Frank Grateyk, brother of the bride and Terrence Knueppel, Peoria, Illinois, friend of the groom.

The bride wore a full length gown of light ivory silk-faced peau de soie, re-embroidered with Alencon lace motifs. Long pointed sleeves, a wedding ring collar of Alencon lace and a full length chapel train highlighted the details of the bridal gown. Her veil was shoulder length, three tiered French illusion net. She carried a cascade of cymbidium orchids, white roses and stephanotis, framed in ivy.

The bridal attendants were gowned alike in floor length Persian green velvet with a high cowl neckline flowing into a back collar accentuated by two small bows. They carried cascades of fall colors in yellow and white poms and orange roses, framed in ivy. They wore circlets of ivy and tiny poms for headpieces.

The mother of the bride wore a green and gold tapestry brocade coat and dress ensemble with matching accessories and wore a cymbidium and rose corsage.

Music for the nuptial ceremony was provided by Mrs F Talbot

Emery, organist, and Mrs Warren Todd of Stoneham, soloist.

The wedding reception took place at the Village Green, Danvers, with the guests dancing to the music of Jack Hennessey's orchestra. Guest book hostess was Mrs Frank Grateyk, sister-in-law of the bride.

For her going away costume, the new Mrs. Moseley selected a winter white coat and dress ensemble accentuated by a mink hat and muff.

Guests were present from Georgia, Illinois, Washington, DC New Jersey, New York, Conn., New Hampshire and Massachusetts.

Pre-nuptial festivities included a luncheon at the Concord Inn hosted by Mr and Mrs Thomas J Maguire, Woburn, a cocktail party at the home of the bride's parents and a wedding rehearsal dinner at the Fieldstones, Andover, hosted by the parents of the groom.

Mr and Mrs Moseley are now at home at 1967 North Lincoln Avenue, Chicago, Illinois.
